

## OREGON DISTRICT PARKING GARAGE RENOVATIONS & CHANGES

**\*The Oregon District Garage (formerly Transportation Center Garage) is open, but currently under construction. Please use the Jefferson Street entrance (behind Think TV) as the East Fifth Street Entrance is currently closed.**

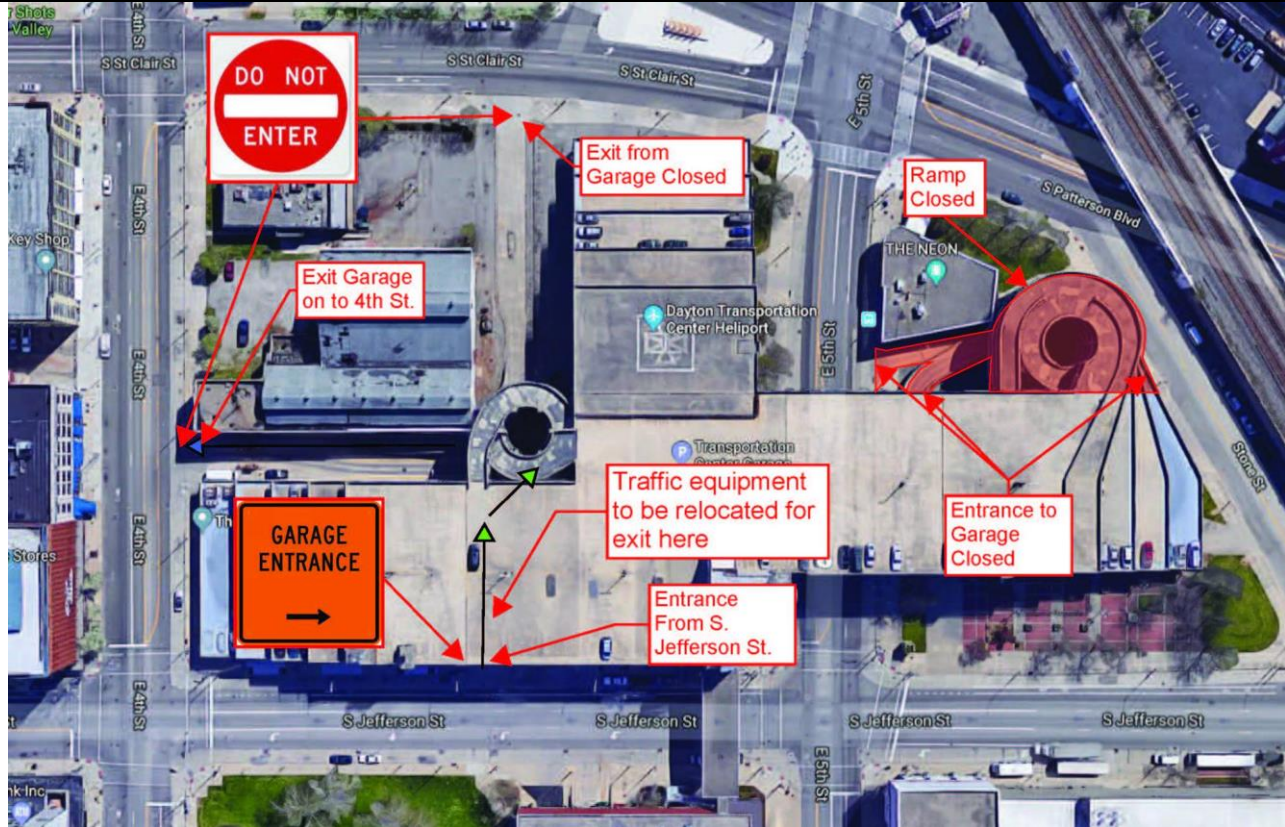

*PLEASE BE PATIENT AND BE PREPARED TO EXPECT DELAYS DURING HIGH VOLUME PERIODS.*

Vehicles will exit to East Fourth Street. Signage is installed to direct drivers. The City of Dayton is investing in garage improvements including concrete parking deck restoration, waterproofing and lighting upgrades. Work began Oct. 1, 2018 and will continue through Fall, 2019.

**CLEARANCE:** (for Trucks, Vans, Campers, SUVs) - 6'6"

**DO NOT USE THE OREGON DISTRICT GARAGE IF YOUR VEHICLE IS:**

- A larger SUV with a wheelbase greater than 120 inches
- A pickup truck with a wheelbase greater than 120 inches (extended, super cab & 4 door trucks)
- A full size van of any type
- A vehicle with a clearance of 6'6" or higher
- Any other type of vehicle with a wheelbase longer than 120 inches
